# B.N.M DEGREE COLLEGE

## Policies and Procedures

### *Procedures and policies for maintaining and utilizing physical, academic and support facilities*

- A fully air conditioned Audio Visual Room well equipped with a smart board, LCD projector, Large screen and a sound system which discharges multiple functions being used for conventional and innovative teaching, special lectures demonstrations, seminars, workshops and other programmes.
- Teachers are given training to ensure optimal utilization of ICT facilities.
- The college has a Contract with Zeal Computers for the regular maintenance of computers, Wi-Fi, and printers.
- Internet connection with Wi-Fi in computer labs, Departments and Office.
- The lab is well equipped with the latest software updated computers which is accessed by students, faculty & staff which provides the tools & technologies to produce websites, edit papers, complete class assignments, communicate via email, etc.
- Our Library houses Text Books and Reference Books, Magazines & Journals apart from periodicals for the benefit of students. It is kept open on all working days for students benefit. Compulsory reference hour is meant to encourage reading habit among the students.

- Extensively used by the students for extracurricular activities and for hosting functions of the college. Bhageerathi Auditorium has a good seating capacity for students. It is equipped with stage, two green rooms & other essential amenities. It plays an integral role for the holistic development of the student's personality. It provides a platform for the students for educational & recreational activities required for their overall development.
- The college provides a platform for students to participate in both indoor and outdoor games. The college has play ground for games like Cricket, Volleyball, Badminton, Kabbadi etc.,. The students are given an opportunity to participate in Inter-collegiate Competitions.
- The campus is kept clean by the cleaning and gardening staff. Personnel are employed for maintenance of garden.
- A maintenance team upkeep the cleanliness and daily cleaning of restrooms.
- Maintenance services such as plumbing, carpentry, repairing work, cleaning up of water tanks, electrical connections, and water filter cleaning are provided on a regular basis by appropriate contractors suggested by the management.
- The NSS students are encouraged to perform at a National level. The NSS unit gives the students opportunity to show their leadership skills by conducting various events like Blood Donation Camp, Health Awareness Camp, Voters Awareness Programme & Drug Awareness Programme.
- To stimulate the patriotism among the students our National Cadet Corps unit takes part in parades, training, shooting etc. Its activities are aimed at unity, discipline and collaborative attitude. The students participate in march-past, drill, trekking and national integration camps.
- Music, Dance, Drama, Artwork are encouraged by our college. All the students are welcome to exhibit their talents and achieve their potential in each field.

- In order to encourage the students to showcase their talents and skills cultural activities are held throughout the academic year. Fresher's are encouraged to take part in Talents day and various other programmes and ultimately all the programmes will culminate in the College Day Celebration.
