

**B.N.M DEGREE COLLEGE**  
**ACADEMIC YEAR 2019-20**  
**INSTITUTIONAL DISTINCTIVENESS**

Our institution is committed to spread a positive message for the society. We conduct a blood donation camp regularly on the birthday of our management trustee Srimati. Susheela Devi R. Maanay. On 28th of November the blood donation camp was conducted in the premises of our college. Many of our students set an example by donating blood for the cause of the humanity. It proved their spirit of concern for mankind in general. The doctors appreciated the students for their generosity in helping those who were in need of blood especially the less fortunate. Many of our NSS and NCC volunteers joined hands in the compassionate service. This idea was given by the honourable trustee herself who felt no other charity can be as valuable as donating blood. She was concerned to help those who were less privileged. The practice of conducting the blood donation camp is carried forward with all earnestness. Our institution is striving hard in instilling values of charity to the students by setting this example. The students are witnessing this action of putting service before self. Due to the pandemic our institution was unable to conduct the blood donation camp. The students also could not turn up due to the pandemic. It would involve a lot of risk for the institution as well as the students to conduct the blood donation camp.
